

FAQs

Where can I use my meal plan on campus?

Meals can be used in the Wood Dining Commons and the Mule Express. Dining Dollars and 'Berg Bucks are accepted at all of our dining locations.

How are Dining Dollars different from 'Berg Bucks?

Dining Dollars are included in several meal plans and can only be used at on-campus dining venues. 'Berg Bucks are not included in any meal plan, however, they can be used at on-campus dining venues, the 'Berg Bookshop and laundry machines in major residence halls.

What happens if I run out of Dining Dollars?

You can add funds to your 'Berg Bucks account by contacting the Controller's Office at 484.664.3150 or by visiting the Cashier on the lower level of the Haas Building.

What is continuous dining?

Continuous dining is available in the Wood Dining Commons so that our guests can enjoy a meal around their specific schedules. Multiple restaurants are always open with a variety of foods from the time we open until we close.

What are guest meals?

Platinum Membership includes 10 guest meals per semester. Guest meals may be used to swipe friends and family into the Wood Dining Commons or Mule Express.

What happens to unspent Dining Dollars?

Unused Dining Dollars roll over from Fall semester to Spring semester, but are forfeited at the end of the academic year.

Nutrition & Allergy Awareness

We recognize the growing need on campus for various dietary needs such as gluten free, lactose free and kosher. We offer gluten friendly foods as well as Star K and Star D certified Kosher cuisine in the Wood Dining Commons along with packaged snacks and convenience items in the General's Quarters. We also offer a wide variety of vegan and vegetarian options every day.

In our continuing efforts to meet our customers' needs, we try to give every consideration to students who have special dietary needs. Students with verified medical conditions are required to register with the Office of Disability Services. We also have a Registered Dietitian available by appointment to assist students.

To schedule an appointment, please e-mail: diningcomments@muhlenberg.edu

Student Employment

Catering is the perfect opportunity for students to earn some cash right here on campus with flexible hours that fit into their schedule.

Java Joe is not only a great place for Starbucks coffee and fresh-baked goods, it's a great place for students to work on campus. Java Joe is operated by our team of student baristas who complete the official Starbucks training program right here on campus.

Student internships are available throughout the academic year. We strive to educate students in food marketing, culinary management and sustainability. In return, students gain valuable on-the-job experience!

Contact us at diningcomments@muhlenberg.edu for more information regarding internships.

M Benefits of Your Dining Membership

Welcome to the Club

Food plays an important role in nourishing both students and campus life at Muhlenberg College. A vibrant dining experience is vital to create an environment where all members of the campus community are eager to gather around the same table. Muhlenberg Dining fulfills this need with restaurant-quality food made fresh from the best available local ingredients served by a friendly and welcoming staff. Because of our commitment to creating an exceptional student experience, our program has earned national recognition as one of the best dining programs in the United States from The Princeton Review, The Huffington Post, Yahoo, Cappex and The Daily Meal. Whether you choose to relax in the Wood Dining Commons, grab a latte at Java Joe, sample sushi at the GQ or recharge with a smoothie at the LSC Cafe, we can offer a dining option to fit your mood and, most importantly, your lifestyle at Muhlenberg College.

Components of Your Dining Membership:

Block Meal Plan
A Block Meal Plan provides a set number of meals that may be used throughout the semester while in academic session and must be consumed by the end of the semester. One meal provides entrance to the Wood Dining Commons or a complete meal at Mule Express.

Traditional Meal Plan
A Traditional Meal Plan is an option to provide 19 meals over the length of a week. Meals do not carry over from week to week.

Dining Dollars
Dining Dollars provide a component of declining balance, same as cash, that can be used at any of the dining venues on campus. Dining Dollars may be used throughout the semester while in academic session. Unspent Dining Dollars roll over from Fall semester to Spring but are forfeited at the conclusion of the Spring semester.

Additional Benefits
Share the Muhlenberg Experience with family and friends. Parents dine free in the Wood Dining Commons during Family Weekend. Friends visiting? You can use your meals to pay for your guests on any meal plan in the Wood Dining Commons or Mule Express.

Our Commitment
Muhlenberg Dining takes pride in offering a nutritionally balanced, appealing selection of food to meet varying lifestyles of our customers through unique and engaging experiences. Sustainable dining is an important component to that balance. We believe in enriching the quality of life by connecting with the traditions of local agriculture.

Enhancing the Student Experience

'Berg Bucks Program

The 'Berg Bucks program provides students with added flexibility and convenience! - 'Berg Bucks roll from semester to semester and year to year.
- The 'Berg Bucks account is linked to the Campus ID Card so students don't have to carry cash.
- Unlike Dining Dollars, funds can be added at any time.
- Parents can ensure dedicated funds towards dining and other essentials for their student.
